Fire Alarm Maintenance & Monitoring Agreement

843-252-6872 • info@coastalfireandsecurity.com • www.coastalfireandsecurity.com

Labor & Parts

- · Standard rate: \$110/hour.
- After-hours/emergency rate: \$200/hour (outside Mon-Fri 8:00 a.m.-5:00 p.m.).
- Contract client rate: \$90/hour (work outside plan scope).
- Batteries: Included with Premium for FACP and remote power supplies (sealed lead-acid), replaced as needed during the annual service. Billed separately for Basic and Monitoring-Only plans.
- Parts & materials billed separately (plus applicable taxes/permit fees).

5) Access & Scheduling

- · Provide safe, unobstructed access to all devices and the fire alarm control panel during scheduled visits.
- Inform us in advance about any restricted areas or after-hours requirements.
- After-hours service is available at the \$200/hour emergency rate.

6) Exclusions

- · Vandalism, misuse, or Acts of God;
- · System additions, existing wiring and devices, upgrades, relocations; programming changes;
- Repairs requiring parts; work by third parties not coordinated with Coastal Fire & Security (quoted separately).

7) Termination

• Either party may terminate with 30 days' written notice. No refunds for partial billing periods. Equipment installed by Coastal remains our property until paid in full.

8) Limitation of Liability

Submit

- Not liable for losses due to events beyond our control, prior improper maintenance by others, or indirect/consequential damages.
- Monitoring reduces risk but does not guarantee loss prevention.
